ON LINE AUCTION 2019

Dear Friends:

Our Annual Auction is essential to our continued success – we are a 501c3 not for profit organization, serving working families since 1896. Every year we continue to serve more families. We need to fundraise in order to improve and expand on our facilities. In addition, we provide tuition assistance to more families struggling with rising costs of living. We need to call on our community each year for help and you as a merchant can be of vital importance to us. In addition, you will gain valuable exposure to all our bidders. We display business information for our donors near the items they donate. To help us support you, please be sure to include business cards or logos that we can use to promote you and your donation.

We are the OLDEST continuously operating nursery school in New York City, please help us continue to serve the community!

Thank you for your support!

Eileen Johnson Director
